

NOTICE

St. Johns County is estimated to receive \$506,533 through the State Housing Initiatives Partnership (SHIP) Coronavirus Relief Fund (CRF) Program during Fiscal Year 2020-2021 (July 1, 2020-June 30, 2021). The County's Local Housing Assistance Plan includes a Disaster Strategy designed to provide assistance to households following a disaster as declared by Executive Order by the President of the United States or Governor of the State of Florida. The CRF funds are delegated to assist St. Johns County residents that have been negatively impacted by the COVID-19 pandemic and struggling to pay housing expenses such as rent, mortgage payments, and utilities.

The County may have a waiting list for this program but will continue accepting applications until the funds have been expended. All applicants are processed on a first-come first-ready basis.
