### PARENT REMINDER

Please remember that the St. Johns County Recreation and Parks Department runs the Youth Basketball League as a recreational league for the children. We want all teams and players to feel that they are playing in a safe environment and that their experience is a positive one. Also remember that our referees are doing their best, and we are trying to reinforce good sportsmanship within our league. Please notify the League Director of any problem that you may have and it will be handled accordingly. Thank you for your participation in the league and good luck with your season.
