HOUSEHOLD GARBAGE

Place all household garbage into trash cans or plastic trash bags secured properly to prevent the scattering of waste due to animals or wind.

All residential waste must be placed curbside within 3 to 5 feet of the edge of the traveled portion of the roadway.

Place cans or bags curbside by 6 a.m. on your scheduled collection day.

Non-containerized garbage, excluding bulky waste, will not be collected. No can or bag may exceed 50 lbs.

YARD WASTE

Household Yard Debris Collection Guidelines:

- Yard waste, including bagged debris, is picked up on standard collection days by Advanced Disposal or Republic Services.
- Branches, shrubs, and stumps (not over 6 ft. in length or 50 lbs. in weight) should be stacked neatly parallel to the curb.
- Leaves, grass clippings, twigs and small pieces of yard waste **MUST** be bagged, bundled, tied, or in a garbage receptacle no larger than 32 gallons and 50 lbs.
- With large amounts, please stack in neat piles. (If it has to be pulled apart, it will not be collected.)
- Palm fronds should be stacked in neat piles on top of one another with the fan portion facing away from the curb.

Items that are not yard waste include:

Whole trees, land clearing debris, yard waste weighing more than 50 lbs. or more than 6 ft. in length, small pieces of yard waste not properly bagged or containerized, fencing, landscape timbers, garden hoses, planters, flower pots, and yard decorations.

All household garbage, recycling, and yard debris must be separated by the resident and placed curbside by 6 a.m. on pick-up day.

RECYCLING

Place recycling items loosely in the recycling carts provided by your service provider by 6 a.m. on the scheduled collection day. See top of recycling cart for curbside placement requirements.

Recyclables include the following:

- Newspapers, magazines, catalogs, & telephone books
